

F-16 DISPLAY PROCESSOR REPLACEMENT (Manning)

DESCRIPTION OF EFFORT

PIDS is a modification of a standard wing weapon pylon where 3 chaff/flare dispensers were added to the aft end. Presently, AFRC owns 50 PIDS. PIDS Universal is a modification to the PIDS that adds 1760 Bus compatibility, plus it has the wiring and receptacles necessary for an IR Missile Warning System.

Quantity: 50 Total
